Blade Lite set-up

Assemble the hybrid pole. **1** | Assemble 4 piece bungee pole (400mm unit only)

Secure pole in the base of stand. **2**

Raise pole by opening latch. Secure at desired height. **3**

Gently raise graphic. **4**

Gently lean the unit back, pulling the graphic up by the top rail and secure onto top pole. **5**

Leveling feet located under unit. **6**

Graphic to top rail attachment

x2

Pull out plastic end caps, unsnap top rail and remove slider from rail. **1**

Attach graphic to top rail slider and insert top rail slider back into the rail. **2**

GRAPHIC FRONT

Snap close top rail and insert the end caps. **3**

Graphic to base attachment

Line the bottom of the back of the graphic print with adhesive tape on white leader strip **1**

Once aligned pull adhesive tape slowly while applying pressure to graphic to adhere tape **2**
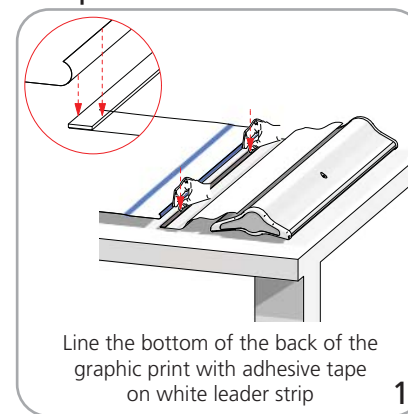

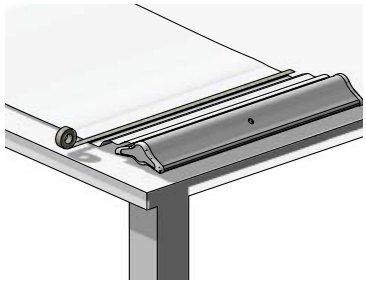

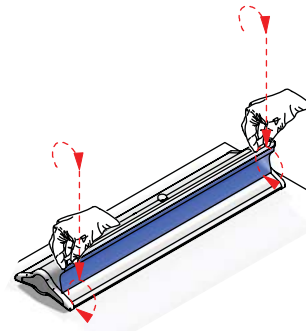

Place additional masking tape to the back of the graphic for extra protection

3

Remove pin while holding onto the graphic so the graphic does not retract back in quickly

4

Slowly retract the graphic back into the base
